MANU MERCÚRI

MOTION GRAPHICS DESIGNER

<PORTFOLIO="[MANUMERCURI.COM](https://manumercuri.com)" MAILTO="[MERCURI.MANUEL@GMAIL.COM](mailto:mercuri.manuel@gmail.com)" />

My background in graphic design shaped the way I approach rhythm, composition, and visual storytelling. Over the years, I've developed a flexible workflow across different formats and industries.

EXPERIENCE

FREELANCING

Worked on motion and design projects for TV, events, brands, startups, and social media. Clients and collaborations include HBO, Peacock, Google, YouTube, Nissan, Banco Galicia, and a RE/MAX office.

2021 - PRESENTE

MOTION & GRAPHIC DESIGNER (INNOVATION SECRETARIAT)

Produced motion graphics, social media content, event visuals, mailings, and internal communication pieces for public innovation projects. Developed visual systems across digital and physical formats.

MAY 2016 - PRESENT

JUNIOR GRAPHIC DESIGNER (YANTORNO STUDIO)

Worked on graphic adaptations and rebranding projects for History Channel Latin America. Designed web banners and animated Flash pieces that became the starting point of my motion graphics career.
